

HAFILAT TRANSPORTATION

Transportation is what we offer,
innovative is what we are

The background of the slide is a solid blue color. On the left side, there are decorative white circuit-like lines that branch out from the edge and extend horizontally across the slide. These lines are composed of straight segments and small circles, resembling a stylized circuit board or data flow diagram. The lines are more dense on the left and become sparser as they move towards the right.

HAFILAT TRANSPORTATION

Transportation is what we offer, innovative is what we are

About Us:

Transportation is what we offer, innovative is what we are.

As a transportation company based in Abu Dhabi, we are honored to say that we have been committed to offering excellence in transportation services ever since our launch in 2009.

Our buses are manufactured to meet our high standards of health, safety, economy and superiority in services provided within, as we believe that satisfaction is only obtained by persistence and hard work. We also make sure that our buses are environmentally friendly to have a healthier globe.

Hafilat General Transport is a sister company to Hafilat Industry which it is a bus Assembly factory located in Abu Dhabi, with the engage between these two companies we succeed to satisfy our customers by matching their needs and finding different type of solutions to what they are looking for.

We strive to offer our customers the best services possible and value to their money as we yearn to gain their loyalty for a long-term relationship. We have thankfully signed several long-term leases with some of our current customers and we are aspiring to do so with the rest.

Our Services:

Honoring our commitment to become a leading transportation company in the UAE, we aim at offering professionalism and superiority in our services.

One of our services include daily transportation of companies' staff or labors from and to the specified companies these buses are customized with exterior stickers that highlight the client's identity whether through their logo or a design of their choice. An example of our regular clients are Abu Dhabi Education Council, family Development Foundation, Department of Transport – Abu Dhabi DOT, Abu Dhabi Tourism & Cultural Authority, Emirates Foundation, Al Wehda Club, Bani Yas Club, Abu Dhabi Chamber of Commerce, Abu Dhabi University and many more.

Events and touristic tours are not excluded from our plan as we have been in charge of transporting guests from and to Yas Island for the Formula 1 event and also of arranging buses for touristic purposes.

We are also offering different type of buses for rent with special modification like Mobile Clinic Bus, Library Bus, Finance Awareness bus or any similar mobile bus which meet the requirement of the end user.

A new addition to Hafilat's business is rent-a-car service with or without driver and transporting goods and equipments, to suit our customers needs and capabilities.

School Buses Transportation is one of our main segment which we can offer different types and sizes of buses for both student & staff transportation services in daily, monthly or yearly contract. The Family Development Foundation (FDF) is also one of our clients as we are (2012-2013) in charge of their transportation needs in several of their centers such as the ones in Abu Dhabi, Al Ain and Al Wathba. We also provide School buses in these regions as we have 130 buses dedicated for this purpose, we are doing this service to different schools in both Abu Dhabi & Al Ain city and also in the western area of Abu Dhabi.

Our Mission:

Through innovation, we simplify and enhance the requirement of customers and consumers better than anyone else.

Our Vision:

Expanding our services to become a full services transportation company that follows the leading international standards of transportation and that is trusted enough to become a monopoly in the UAE. Our vision is to satisfy our customers by offering the latest technologies and customer care through professional and elite transportation experts.

Our Goals:

To be the number one Bus transportation company in the UAE. We also strive to expand our services to include Colleges, Universities and other Governmental and Petroleum companies.

We aim at making any travel experience in our buses the best one for any of our passengers even if it was for 10 minutes only through our professional staff and sophisticated customer service.

What differentiates us:

We are an extension of Hafilat Industrial Company that actually manufactures buses which gives us the advantage of having 24/7 maintenance services. We have 24 mobile workshops that are ready to serve you any time anywhere. Finally and through Hafilat Industry, we are able to offer different designs for special purpose buses for selling or renting.
